Ferrara 60 Km: an itinerary to appreciate the beauties of the city of the Estensi, walking among the medieval streets. We advise everyone to stroll in the city centre to breathe the air of the Middle Ages

Ravenna 25 Km: the city of mosaics. The collection of early Christian and Byzantine religious monuments is of extraordinary importance because of Supreme artistic mastery of the art of mosaic.

Repubblica di San Marino 100 Km: it was founded in 301 d.C. and it is the oldest Republic in Europe, located in Central Italy. It is situated on Monte Titano, first witness of the Appennino Centrale, over 700 meters above the Adriatic Sea.

Venezia 100 Km: it is one of the most visited cities in the world, located on the Venetian Lagoon. The city, historically called la Serenissima, has always been isolated from the Mainland until 1841, when it was built a railway bridge which ensured the connections with the railway station Santa Lucia.

And to have fun Mirabilandia 30 km: this amusement park located in Savio (Ravenna), is the ideal environment for families that want to spend a day of entertainment and relaxation, thanks to the shows and attractions.

HOW TO GET TO US

From the north: Take the A1 Autostrada del Sole, the A21 Turin-Piacenza and the A22 Brennero.

From Tarvisio / Venezia: Follow the A23 Autostrada (motorway) until Palmanova, then the A4 to Mestre. At Mestre, leave the motorway and take the SS309 Strada Statale Romea. After about 100 km you will arrive at Lido di Spina.

From the west: Take the A1 motorway to Bologna. We suggest taking the A13 towards Padova, leaving at the Ferrara-Sud exit, and continuing on the Ferrara-Mare road towards Portograbaldi (about 60 km) in the Ravenna direction.

From the south: Take the no. 16 Strada Statale Adriatica, Autostrada A14, A1, and Superstrada E45 which crosses the Apennines and connects Ravenna to Orte-Roma.
